Mittamatite Lodge- Residential Care

Introduction

Mittamatite Lodge is a 34 bed facility which caters for both high and dependency residential aged care, located in the prestigious Upper Murray.

Our Mission

Our mission is to promote wellness and healthy independence by providing quality services to meet the needs of our community.

About Corryong Health

Corryong Health provides care for the entire community in the form of Acute Health, Residential Care, Home and Community Care, Allied Health Services and onsite Medical Clinic facilities. Residential aged care at Corryong Health began in 1983 with the Upper Murray Nursing Home. It was incorporated into the current building in 1996 when the Hostel was constructed. The facility is known as Mittamatite Lodge. The facility allows Ageing in Place for residents. Corryong Health is an accredited facility under the National Safety & Healthcare Service- with our most recent accreditation review taking place in August 2017.

Respite Options

Respite is available at Mittamatite Lodge- please enquire with the Nurse Unit Manager on (02) 60763278 as to available dates.
